

Walker Permission Form

Because many of our older students will be walking to and from school, your assistance is needed to ensure their safety. All students who will be walking home, or leaving the building on their own, must have written permission from the student's parent or guardian.

Please complete the form below giving your child permission to leave school grounds. Please state below the frequency your child will be walking home from school. Students in Grades K-5 cannot leave the school property unless they have prior written parental consent that an older sibling (13 and older) may accompany them. Students 13-17 will not be allowed to leave the school property as a walker without written permission from a parent or guardian stating that they may walk home. All walking students will be dismissed daily at 3:25 pm Monday-Friday. Students (13-17 years of age) in the aftercare program will be allowed to walk home after 6:00pm if no parent is able to pick them up when aftercare closes. Parent consent and signature below is needed for a student to walk after school closes the aftercare program.

Students will exit the premises through the main gate or through the school's main office. Students will not be allowed to re-enter the school once they have left the premises. Once a student leaves the school building, the student is no longer under the school's care. The school is not responsible for the student once the student leaves the school building.
